Catholics Take Action to Protect Our Common Home: *Laudato Si’*

Covid-19: A Prayer of Solidarity (Prayer from USCCB)

For all who have contracted coronavirus,
   We pray for care and healing.
For those who are particularly vulnerable,
   We pray for safety and protection.
For all who experience fear or anxiety,
   We pray for peace of mind and spirit.
For affected families who are facing difficult decisions between food on the table or public safety,
   We pray for policies that recognize their plight.
For those who do not have adequate health insurance,
   We pray that no family will face financial burdens alone.
For those who are afraid to access care due to immigration status,
   We pray for recognition of the God-given dignity of all.
For our brothers and sisters around the world,
   We pray for shared solidarity.
For public officials and decisionmakers,
   We pray for wisdom and guidance.
Loving God, during this time may your Church be a sign of hope, comfort and love to all.
   Grant peace.
   Grant comfort.
   Grant healing.
   Be with us, Lord.

Catholic Climate Covenant
Parishioner at Saint Pius X Catholic Church in Granger, Indiana and member of its Creation Care Team since 2016. She is a wife, mother, and nature lover who continues to be inspired by Pope Francis and *Laudato Si’*. During law school she interned at the Michigan Attorney General's Office-Natural Resources Division and studied environmental law. In addition to volunteering with Pius X’s Creation Care Team, she is actively involved in Citizens Climate Lobby, a nonpartisan advocacy group working to curb carbon emissions.

Chuck Bueter worked on commercial boats on the Great Lakes until he became an at-home dad for two children. With the kids now grown, he and his wife are parishioners of Saint Pius X Catholic Church in Granger, Indiana. Throughout he has enjoyed doing education and public outreach in the community as an amateur astronomer with an emphasis on advocating for dark skies. Promoting solar energy, his latest interest is guiding people to be more familiar with the sun by making their own solargraphs—a six-month image of the sun’s path across the sky using a beer can, duct tape, and black-and-white photographic paper. His projects are at www.nightwise.org.
➢ **PRAY** and reflect on the duty to protect the poor and vulnerable by caring for God’s Creation.

➢ **ACT** to reduce our contribution to climate change.

➢ **EDUCATE** others on the Catholic teaching of caring for our common home.

➢ **ADVOCATE** for Catholic principles in climate change decisions, especially as they affect those who are poor and vulnerable.
FIVE-STEP DAILY EXAMEN

1. Ask for God’s Grace
2. Give thanks for the Gifts received
3. Recognize my faults
4. Ask for Forgiveness
5. Look toward tomorrow

“...hear both the cry of the earth and the cry of the poor.” - Pope Francis

Creation Care Activities

Run your dishwasher only with a full load. Skip the heat cycle and let your dishes dry.

“Technology proves incapable of seeing the mysterious network of relations between things and so sometimes solves one problem only to create others.”
Laudato Si’, par. 20

When cooking with water on the stove, use a lid. Only use as much water as you need.

“Water supplies used to be relatively constant, but now in many places demand exceeds the sustainable supply, with dramatic consequences in the short and long term.”
Laudato Si’, par. 28
Pat Bergen, a member of the Congregation of St. Joseph, is an educator, spiritual director and retreat facilitator who has served in leadership in her congregation for the past 11 years. She has a doctorate in theology with an emphasis in the New Cosmology and its implications for prayer, justice and leadership.
CONGREGATION OF ST. JOSEPH
MISSION

THAT ALL MAY BE ONE
CSJ Foundational Elements

- to strengthen, heal and renew the face of Earth.
- to risk our lives and resources to network with others to feed the hungers of the world
- to collaborate with other to shift a global culture of power and privilege to a culture of mutuality and inclusivity
LAUDATO SI

THROUGH THE LENS OF INTEGRAL ECOLOGY
Structure

Environmental Sub-Committee of Peace and Justice (monthly report with info, prayer and political action 1x/month for entire congregation)

Living and Working Sustainably:

Local Sustainability Committees (6 Centers in Heartland of U.S.)

Committee meetings, Lunch Bunch Learning monthly

Congregational Committee: Local committees come together by zoom 1x month for 9 years, now seasonally
Land Policy

Vehicle Committee

Spirituality Centers: Awakening the worldview of oneness with God and all creation through:

- Workshops, conferences, retreats, speakers

- Educational Opportunities for students:
  Earth Awakening retreat days, Little Sprouts of Hope, connecting students in other countries (Afghanistan, Nigeria. . ) through art and music to produce books about creation
BRINGS US TO LOOK AT MOTHERHOUSE BUILDINGS

- Directional Statement regarding our properties and building
  - Create New Living Assisted Care Buildings: reduce our carbon footprint
  - Local steering committees, LEED committee, Art and Design Committees, History Committees, Grounds Committees
  - Deconstructed, designed and built
    - LEED GOLD Assisted Care
  - PARTLY SOLAR POWERED
Living & Working Sustainably...

Meatless Meals

Growing/eating Microgreens

Fair-Trade coffee
Reverence the Land – buy locally grown, fresh, food when possible
Living & Working Sustainably…

Water Use

Water-saving Shower heads

Rain barrels

Eliminate plastic water bottles

Non-toxic cleaning
Storage & collection of recyclables

Recycling program established in centers

Find ways/places to recycle other items, e.g. clothes not fit for Goodwill, electronics, etc.
A Closed Loop Food System
Living & Working Sustainably...Reduce Fossil Fuel use

- Continue/expand on CSJ strong management:
  - Reduce the size of the vehicle fleet
  - Electric and electric/hybrid vehicles are preferred for operating cost and environmental impact, especially in urban areas
  - High mpg cars, especially for rural and intercity travel.
  - Keep fuel efficient cars as long as practical and safe
Solar usage display in the lobby of each Center
REDUCTION OF CARBON FOOTPRINT

- WATER USAGE: 46%
- ENERGY: 36%
- CARBON: 58%

HVAC: evaluated daily at each Center

Yearly: Congregation report on Carbon saving of each Center

Progress Report: employees, sisters, associates
Beyond Ourselves

Season of Creation: Sun. Liturgy and Lunch
Prayer Services, Social Media

- Networked with other agencies in locale, dioceses, inter-faith groups to produce prayer to start marches, movies, ecumenical prayer services,
- Collaborated with Diocesan Catholic Schools, Catholic Climate and Global Climate agencies developed opening prayers for gr. 1-6, Jr and Sr. high

March for Life and Primaries: offered art for banners and prayer cards for Jan. 22 Marches for Life and primaries
Marches for Life

- Offered our art for banners
  and prayer cards
EARTH DAY

► BUTTERFLY CHAMPIONS
► Our Centers
► Our Academies
► Former Parish Schools
► Request to give presentations
► Distribute envelopes

The Virtual Teach-in on Climate Solutions and Justice

University and high school students across the nation, along with faith and community groups, will tune into 52 simultaneous, university-hosted state-wide webinars on an issue critical to their future: how ambitious state and local action can put us on the way to solving climate change by 2030. Faculty across the country, and across disciplines, will assign these webinars as homework, using them as a springboard for discussing climate solutions and energy justice. Learn more.

Susan Varlamoff is a biologist and retired Director of the Office of Environmental Sciences, University of Georgia College of Agricultural and Environmental Sciences. She is an author of three books, most recently Sustainable Gardening for the Southeast and the Laudato Si Action Plan. Her writing has appeared in the New York Times, Atlanta Journal Constitution, Minneapolis Star and Tribune. Susan was featured on NPR for the work she did with colleagues to develop and implement the Laudato Si Action Plan. Susan Varlamoff is the wife of Ivan for 46 years, and mother to three sons and grandmother of two. She is attends St. John Neumann Catholic Church in Lilburn, Georgia.

Kat is a Certified Lay Ecclesial Minister, Pastoral Associate and currently the Director of Justice & Peace Ministries for the Roman Catholic Archdiocese of Atlanta where she staffs the Archbishop on matters of social concern. Prior to that, she has worked as a Director of Parish Life and Director of Justice & Outreach Ministries, as well as being a Youth Minister.

Mrs. Doyle is a member of The Roundtable Association of Catholic Diocesan Social Action Directors, sits on the board of directors of the Faith Alliance of Metro Atlanta, as well as the Archdiocesan Deaconate Formation Advisory Council. She studied Industrial Design at Auburn University, Theology with an emphasis on social justice and ethics at Springhill College-Atlanta, and Catholic Social Teaching at The University of Dayton.
Laudato Si’ Action Plan

The Roman Catholic Archdiocese of Atlanta

By Susan M. Varlamoff
St. John Neumann Church
The Action Plan Team June 2015

Dr. Rob McDowell  Dr. Marshall Shepherd  Susan Varlamoff  Dr. Mark Risse

Rev. Kate McGregor Mosley  Pam Knox  Dr. David Stooksbury  Steve Valk
Strategy for the Action Plan

• To harness the power of the pulpit the Pope Francis effect.
• To create a movement in all houses of worship to care for the earth and one another.
• To offer practices that can be used by all religions.
• To offer local resources to implement these practices.
• To create a model for other states.
Environmental Issues

- Climate change
- Biodiversity loss
- Water pollution
- Air pollution
- Water shortages
- Destruction of wildlife habitat
Laudato si'
On Care for Our Common Home

An Action Plan For

The Roman Catholic Archdiocese of Atlanta

November 2015
What is it?

• **Introduction**
  – The Judeo-Christian tradition of care for God’s creation
  – Basic science of climate change

• **Menu of actions in 10 categories** – rated “easy,” “moderate” and “advanced” that parishes and parishioners can take to implement the major issues outlined in Laudato Si’. Many local resources listed.

• **Conclusion** – call to action by Archbishop Gregory
Action Plan Chapters

1. Parish Activities and Education
2. Energy Conservation and Efficiency
3. Purchasing and Recycling
4. Transportation
5. Water Conservation
6. Buying and Sharing Food
7. Sustainable Landscaping
8. Assisting Climate Vulnerable Populations
9. Making Laudato Si For Young People
10. Political Action
Implement Energy Action Plan

– Install a programmable thermostat (moderate).
– Put inside lights on timers and motion sensors (moderate).
– Replace old appliances with Energy Star appliances
– Insulate, seal cracks and leaks, and check or replace storm windows (moderate).
– Replace single-paned windows with double-paned windows (advanced).
– Consider rooftop solar panels on the church, rectory, or school (advanced).
Laudato Si’ in the Diocese

Examples from the Archdiocese of Atlanta
SUSTAINABILITY COORDINATORS

- **Strategist**
  - Sustainability Funding: Positions and Programs
  - Coordination & Collaboration: Faiths, Community, Gov
  - Diocesan Sustainability Advisory Team: Experts, Funding, Networking resources

- **Program Coordinator**
  - Diocesan Creation Care Team: Parish/Deanery networking, communications and sharing best practices & resources
PARISH CREATION CARE TEAMS

- Laudato Si’ Education
  - Parish Presentations w/ Expert Speakers
  - Online Modules
- Sustainability Plans
  - Work w/ Sustainability Program Coordinator
- Pastor Education and Liturgical Support
  - Homily Helps & Liturgy Themes
- Strong Diocesan Resource Support
  - Bulletin Inserts & Webpage info and links
DIOCESAN WORK (during the New Normal)

• Working Virtually
  • Use Diocesan Social Media NOW!
  • Update/Build Creation Care webpage on Diocesan site

• Diocesan Gatherings and Masses
  • Laudato Si’ Week Green Masses Livestreamed
  • Lots of resources out to parishes for website & bulletins

• Education and Speakers
  • Adding prerecorded online modules

• Parish Meetings
  • Arrange to join in those Virtual Meetings
Angélica Gonzalez-Apple serves GCCM as Program Manager North America. She draws on 14+ years of experience in Environmental Education and Leadership. She attended California State University Monterey Bay, graduating with a Bachelor of Arts in Environmental Studies and a minor in Spanish. Angélica’s prior experience includes serving as Conservation Programs Manager at the Sierra Club Angeles Chapter. There she organized and implemented conservation programs and campaigns such as water and air quality, renewable energy, wilderness management, wetlands, urban planning, and zero waste. She is passionate about her Catholic faith and is committed to helping create a global community that cares for one another and the planet. Angélica enjoys spending time in her native garden where she lives near Los Angeles with her husband and five children.
The Vatican’s Dicastery for Integral Human Development invites us to protect our common home by participating in Laudato Si’ Week, 16-24 May.
OUR MISSION:
GCCM serves the Church worldwide to turn Laudato Si’ into action and tackle the climate crisis.
We are a network of Catholic institutions (900+ Member Organizations) & grassroots leaders (1500+ certified Laudato Si Animators), working closely with the Vatican & Bishops worldwide.
BACKGROUND ON LAUDATO SI
"It is my hope that this Encyclical Letter can help us to acknowledge the appeal, immensity and urgency of the challenge we face.” (LS 15)
GCCM’S INVITATION:
This year, Catholics around the world will celebrate the fifth anniversary of Laudato Si’, Pope Francis’ milestone teaching on ecology and climate change.
Over the past five years, Catholic communities have taken **concrete steps to protect our common home**. From planting gardens to praying for our Earth’s healing to marching for moral climate policies, we’ve stood together for the good of creation.
But the ecological crisis isn’t slowing down, and **new, bolder actions are needed now.** That’s why Catholic communities around the globe are **celebrating Laudato Si’ Week by doing something **more ambitious** than they’ve ever done before.**
How will you celebrate?

Join Pope Francis and **take the next step** in your Laudato Si’ journey. Commit to an **ambitious action that grows your response** to “the cry of the earth and the cry of the poor.”
Join us!
