Using Social Media for Social Change
The Power of Social Media

- Increase visibility
- Storytelling
- Movement building
- Document change
- Apply pressure
Telling the story of an event in FIVE posts

1. Preparing Supplies
2. Planning/Training
3. Community Response
4. Doing the Action!
5. How the Action Felt
As a Wisconsin Catholic, I ask you to support legislation that provides $555 billion in climate investments and programs. These provisions are perhaps our last opportunity to significantly reduce national greenhouse gas emissions. #GodsPlanet
Share your photos with us!

We can help tell the story too! Please upload any photos (prep photos, meetings, visits, posters, prayers, selfies, Zoom screenshots) to this link:
