

# Unlocking the Key to Laudato Si' Film Festival and Art Show

## CARE FOR CREATION MINISTRY

**Saturday April 9, 2022,  
at the Franciscan Renewal Center  
11 am - 5 pm**

The Care for Creation Ministry invites you to our first **Unlocking the Key to Laudato Si' Film Festival and Art Show** at the Casa on Saturday, April 9. Four feature length films that have received dozens of film festival awards and recognition globally, plus a variety of shorts will be presented throughout the day for you to choose for viewing. This is an opportunity to take in significant and entertaining quality eco-spiritual films with others who share your interest for high-quality, thoughtful, and entertaining films. There will be time for contemplation and discussion and for viewing local art from an ecological perspective in a variety of mediums, at your leisure.

Admission to the Festival also includes lunch, snacks, and a closing wine and bread reception. Opening festivities begin at 11 a.m., with check-in at 10:30 am just outside the Auditorium. Please use this link to register through the Casa's programs website page: <https://tinyurl.com/4cp9smnc>. Registration is limited.

The Care for Creation Ministry is grateful for a grant received from the Victory Noll Sisters Small Grants Program and Catholic Climate Covenant for helping to defray part of the costs for this event. The festival is also inspired by Pope Francis' encyclical, *Laudato Si': Care for Our Common Home* and the seven Laudato Si' goals established to promote a greater care for Earth, our shared home.

**Fee: \$45 includes lunch and closing reception. For registration information visit the FRC Programs page at [frc.retreatportal.com](http://frc.retreatportal.com). Registration closes 11:59 pm Thursday, April 7. Scholarships are available.**
