Community engagement & participatory action
Parish Laudato Si’ Creation Care Committee

- Cleric(s)
- Parish Council Member(s)
- Ministry and Committee Representatives
- Families
- Staff (liturgy, business, faith formation, education, maintenance, etc.)
- Lay Leaders
- Youth and Young Adults
The Process

Process incorporates the principles of

- Synodality
- Solidarity
- Subsidiarity
1. Establish a core group of Laudato Si’ Parish champions who will advocate for a parish Creation Care Committee.

2. Visit and learn how the Vatican’s Laudato Si’ Action Platform functions. (www.laudatosiactionplatform.org)

3. Parish Champions meet with the pastor to solicit his support and engagement. Explain how care for creation and the Laudato Si’ Action Platform benefit the parish. Pastor communication is key.
4. **Facilitate** an informational meeting for clerics, parish council member(s), ministry representatives, staff, lay leaders, families, and young people regarding the Laudato Si’ Goals, the Action Platform, and how every aspect of the parish community has a role.

5. **Establish the Parish Creation Care Committee** to include cleric(s), parish council member(s), committee members, ministry representatives, staff, lay leaders, young people and other key stakeholders.
