

A Catholic Appeal for
Climate Action

A Catholic Appeal for
Climate Action

Sign the Catholic Climate Action Petition with thousands of others

inspired by the Vatican's Laudato Si' Action Platform

The Petition:

Dear President Biden and Members of the U.S. Congress, As Catholics, we call for actions that:

- Drastically reduce greenhouse gas emissions so that global warming is limited to a 1.5 degrees Celsius increase, thus avoiding the worst impacts of climate change, and
- Prioritize the needs of peoples most vulnerable to the impacts of climate change and the transition to a low-carbon future.

Use a smartphone camera to scan this QR code and follow the prompts to sign the petition.

The Catholic Climate Covenant will deliver this petition ahead of the 26th U.N. Climate Change Conference Nov. 1-12.
